

# THE FRICK ART MUSEUM

The Frick Art Museum is an intimately scaled museum displaying an exquisite permanent collection of Italian, French and British paintings, sculpture and decorative arts. Additionally, the museum hosts outstanding temporary exhibitions from some of the world's finest museums and collections. The elegant Italian marble floors and classical teak and mahogany columns of the museum's rotunda provide a spectacular setting for a private rental event. Extend the celebration outdoors by adding a tent to the museum's front patio overlooking Frick Park. The intimate 161-seat auditorium, adjacent to the rotunda, offers wonderful
