

PRIVATE & CORPORATE

Imagine your guests' awe as they arrive amidst the splendor and sophistication of the Frick Art & Historical Center. Experience a page from the Victorian past while dining and dancing under the stars. Our unique complex of museums, historic buildings and landscaped grounds provides an idyllic setting for a memorable reception sure to impress your friends, family or business guests. Please know that it is our desire to accommodate your individual needs and we will be as flexible as possible within our museum setting. Events are held in the evenings after the grounds have closed to the public and many events are held out of doors beneath a tent with sweeping views of

everything from the private grounds of Clayton to a blossoming apple orchard. We have many possibilities for the evening's agenda including tours of Clayton and visits to the Car and Carriage Museum and the galleries of The Frick Art Museum.
