

WELCOME

Thank you for your interest in the Frick Art & Historical Center as a possible site for your special event. The site is located on five and one-half acres of elegantly landscaped grounds, 20 minutes east of downtown Pittsburgh in Point Breeze at the corner of Penn and South Homewood Avenues. The site's natural beauty provides the perfect setting for memorable events whether intimate or grand. You may also choose to take advantage of all the Frick has to offer for your guests' enjoyment: Clayton, the restored Victorian residence of industrialist Henry Clay Frick; The Frick Art Museum; the Car and Carriage Museum; the Greenhouse; and the Museum Shop, formerly the Frick children's

Playhouse. So many experiences in one place! Hold your next event at the Frick and celebrate in the graciousness of an era past. We would be happy to arrange a preview tour of the site for you at your convenience so that we may discuss your plans and ideas. If you prefer, you may wish to see the site on your own. We are open every day except Monday and there is no admission charge. The Frick is pleased to be able to offer its sophisticated ambiance for your party and our professional staff will work with you to make it a memorable one, designed with originality and style especially for you. Please know it is our desire to accommodate your individual needs and we will be as flexible as possible within our historical setting. The enclosed materials will give you an overview of our facilities including information regarding rental fees and exclusive vendors. Please call Beth Bell at 412-371-0600, ext. 658, with any questions you might have or to schedule a visit to the site. You can also visit our website at TheFrickPittsburgh.org for more information.
