

Museum Guidelines for Self-Guided Student Groups

The Frick Pittsburgh

Please share the following museum guidelines with both students and chaperones before visiting the Frick. These rules set general expectations for behavior, and are meant to help everyone get the most out of their visit!

Guided field trips are available but are subject to availability. If you are interested in booking a guided field trip, please visit the [School Programs page on our website](#). Any group that has not booked a guided field trip is welcome to explore our site on their own but may be subject to time and capacity limits.

General Policies

- While pencils are allowed in our museum spaces, we ask that visitors do not bring any other writing utensils (pens, markers, colored pencils, etc) into any of the museums.
- Please maintain a safe distance from artworks and artifacts. The galleries can get crowded, so be mindful of clothing, purses, and bodies as you move through the spaces.
- To protect our collections, large backpacks and bags **are not allowed** in museum spaces. They should be left at school or on the bus.
- Food, drinks, and gum **are not allowed** in any of the museum spaces. Please be sure to discard these in the trash container near the entrance to the site, or leave them on the bus.
- Priority is given to tours and programs led by the Frick’s tour facilitators, museum educators, and other staff members. Please be mindful of guided tours in the museums and share the space accordingly.
- Please be considerate of other visitors and groups while enjoying the Frick! We ask that all visitors use respectful language, indoor voices, and walk, not run. Please do not prevent others from moving through the galleries by blocking walkways and doorways, or exhibition displays by sitting in front of them for an extended period of time.
- Museum Educators often place boxes marked as “Frick Educator Materials” in the galleries to use on guided student tours. Please leave these boxes, along with their contents, where they are to avoid disrupting another group’s experience.
- To ensure that you have the best self-guided experience, please notify the Frick of your plan to visit by emailing Education@TheFrickPittsburgh.org with the date, number of students, and time of your planned visit.

The Frick Art Museum

- To learn more about current, past, and future exhibitions, including pricing, dates and availability. Please visit the [Exhibitions page of our website](#).
- Advance reservations are highly recommended as limited spots are available. You can reserve your tickets through our website, or by calling 412-371-0600 ext. 1.
- Non-flash photography is welcome in The Frick Art Museum.
- Sketching, drawing, and note taking are permitted with pencil and sketchbooks 18 inches by 24 inches or smaller. Please do not bring easels or portfolios into the museum. Sketching may be done in groups of 3 people or less to prevent blocking the flow of traffic through the galleries. Please limit sketching time in front of a single artwork to 10 minutes or less.

- While the galleries invite conversation, they are not large enough to accommodate groups larger than 10 for discussions or activities. The use of the auditorium may be available for this purpose, but priority is given to tours and programs guided by Frick staff members. Please inquire about auditorium availability with a Frick staff member upon arrival.
- If you have questions about museum policies during your visit to The Frick Art Museum, please consult a gallery attendant or museum experience associate at the Visitor Center. For questions that arise prior to your visit, please contact us at Education@thefrickpittsburgh.org.

The Car and Carriage Museum

- Explore the history of transportation in The Car and Carriage Museum, which is free and self-guided! Those with young visitors are encouraged to check out the new children's play area.
- Snap a photo sitting inside our touchable car! Please be mindful when entering and exiting the touchable car, as fingers can easily be pinched. Non-flash photography is permitted in the Car and Carriage Museum.
- If you have questions about the museum policies during your visit, please consult the gallery attendant on duty.

Clayton

- Learn about Pittsburgh's Gilded Age by registering for a guided tour of Clayton! Tours are available to all members of the public but do have limited capacity. While Clayton is for all, the public tour is most appropriate for children 9 years and older.
- Public tours of Clayton cannot accommodate large groups due to space limitations in the mansion. If you are interested in touring Clayton with your students, please contact 412-342-4087 or Education@TheFrickPittsburgh.org for information.

The Greenhouse and Grounds

- Have fun exploring the beautiful plants in the Greenhouse! Many of these plants are delicate, so please do not touch, move, or damage plants or their containers.
- Access to the grounds and greenhouse is free during business hours.
- Certain areas of the grounds are restricted and marked with "staff only" signs. Please do not enter these areas.

Lunch

- If you would like to coordinate pre-packed boxed lunches with The Frick's café, please contact Education@TheFrickPittsburgh.org at least four weeks before your visit.
- While visitors are encouraged to eat at The Frick's Café, it does have limited seating and serves visitors on a first-come, first-serve basis. Please be prepared for large orders for many individuals to require a long waiting period. All guests must be present and order prior to sitting at a table.
- Outdoor seating is abundant for those who bring picnic blankets and are willing to sit in the grass! Rental spaces may be available for a fee; please contact Education@TheFrickPittsburgh.org for more information.

Arrival

- Our parking lot is handicap accessible, free to use, and can accommodate cars and small vans! However, **the parking lot cannot accommodate buses, even to turn around.**
- While we cannot reserve bus parking for self-guided groups, we recommend that buses utilize street parking on Reynolds St. or South Lexington Ave. We ask that self-guided group buses **do not** park at the base of the steps to The Frick Art Museum on Reynolds Street, as that space is reserved for guided groups. That space is clearly marked with an orange “reserved parking” sign.
- A map of our site and its surrounding streets is attached for your reference.

In Case of Emergency

- In the event of an emergency, please notify any Frick staff member immediately.
