Do you require proof of insurance?

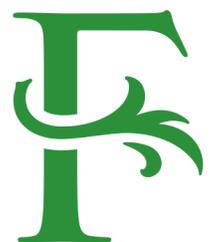

Yes, we do require that the client provide proof of insurance. The Frick Pittsburgh and our Approved Caterers have insurance coverage. The Licensee must provide proof of insurance coverage naming the Frick Pittsburgh as an additional insured, on their personal property in and about the rented locations within the Frick as well as for liability insurance to protect themselves against claims of the Licensee's guests, invitees and vendors in and about the rental area. The standard amount of liability is \$1,000,000 and is usually provided by the Licensee's insurer as an addendum to a homeowner's policy or a special one-day Special Event Endorsement. Many families with umbrella coverage, corporations and educational institutions already have acceptable liability coverage for off-site events, but must provide proof of coverage. Events staff will provide information for obtaining event insurance.
