at The Frick Pittsburgh

- **The Frick Art Museum**, which displays a permanent collection of art that belonged to the Frick family, along with an array of diverse temporary exhibitions.
- The **Car and Carriage Museum**, which illustrates the history of transportation from carriages to the early automobile.
- **Clayton**, the remarkably preserved historic home of Henry Clay Frick and his family.
- The historic **Greenhouse**, which is still operational and accompanied by several acres of manicured grounds with arboretum status.
